VOLUME 5: NURSING SERVICES	Effective Date: 02/2019
CHAPTER 19	Revision Date:
5.19.2 NURSING CIVIL SERVICE STAFF ONBOARDING PROCEDURE	Attachments: Yes <input type="checkbox"/> No <input checked="" type="checkbox"/>

I. PROCEDURE OVERVIEW

This procedure outlines the process for nursing staff onboarding and shall apply during the standard probationary period for newly hired civil service Registered Nurses (RN), Licensed Vocational Nurses (LVN), Psychiatric Technicians (PT), Certified Nursing Assistants (CNA), Office Technicians (OT), Medical Assistants (MA), and other classifications that report to Nursing Services within California Department of Corrections and Rehabilitation (CDCR) institutions.

Nothing in this procedure shall be construed as altering existing laws and regulations governing nursing staff scope of practice, probationary periods in civil service, or the provisions of any applicable bargaining unit contract.

II. RESPONSIBILITIES

- A. The Chief Nurse Executive (CNE) is responsible for ensuring the implementation of the Nursing Civil Service Staff Onboarding Plan.
- B. All new nursing staff are responsible for actively participating in and completing the standardized onboarding process including classroom orientation and on-the-job training and support during the probationary period.
- C. The Supervising Registered Nurse (SRN) III and/or II, and/or the Unit Supervisor (US), as appropriate, in coordination with the Nurse Instructor (NI), is responsible for validating successful completion of the Nursing Civil Service Staff Onboarding and Competency Checklists.

III. PROCEDURE

A. Orientation and On-the-Job Support during the Probationary Period

The SRN III and/or II, or US, and NI shall individualize the Nursing Civil Service Staff Onboarding Plan, utilizing the [Nursing Civil Service Staff Onboarding Plan Template](#), located on the Nursing Services Resources Lifeline page under the Forms tab. Staff shall follow the Plan during at least the initial three months of employment.

The SRN III and/or II, or US, NI, and appropriate subject matter expert shall use the [Nursing Civil Service Staff Onboarding and Competency Checklist–Nursing Services Topics](#), and the [Nursing Civil Service Staff Onboarding and Competency Checklist-General and Non-Nursing Topics](#), and implement the Nursing Civil Service Staff Onboarding Plan to ensure each newly hired staff completes, at a minimum, 12 weeks of formal orientation and training (herein referred to as “onboarding”). See the [Sample Nursing Civil Service Staff Onboarding Plan](#), for examples on how to complete a Nursing Civil Service Staff Onboarding Plan. The

CALIFORNIA CORRECTIONAL HEALTH CARE SERVICES

Checklists and the Sample Onboarding Plan are located on the Nursing Services Resources Lifeline page under the Forms tab.

1. The plan shall include, at a minimum, the following:
 - a. Initial introduction to the institution including:
 - 1) Human Resources and Information Technology departments.
 - 2) Overview of the institution's missions and physical layout.
 - 3) Overview of the new employee's work space.
 - 4) Issuance of the new employee's identification card and other essential work items.
 - b. Institution-based onboarding covering the designated topics specified in the [Nursing Civil Service Staff Onboarding and Competency Checklist–Nursing Services Topics](#), and [Nursing Civil Service Staff Onboarding and Competency Checklist–General and Non-Nursing Topics](#).
 - c. Non Custody New Employee Orientation (NEO) to be completed by all employees. This training is composed of classroom and computer based modules. The classroom portion is provided by the institution's In-Service Training Office.
 - d. Nursing civil service staff onboarding for nursing employees covered by this procedure to be completed prior to performing patient care duties.
 - e. Electronic Health Record System (EHRS) training and competency validation to be completed prior to providing and documenting patient care or scheduling in the system, including completion of CCHCS Learning Management System EHRS Modules plus designated instructor led training.
 - 1) For nursing staff with RN, LVN, or PT licensure.
 - 2) For CNAs, OTs assigned to nursing, and MAs.
 - f. For staff providing direct patient care, a minimum of four weeks of orientation and shadowing of nursing staff in patient care settings based upon the institution's health care missions during which the following areas will be covered:
 - 1) Primary Care Clinics including huddles, nurse face-to-face line, and provider line.
 - 2) Triage and Treatment Area.
 - 3) Receiving and Release.
 - 4) Outpatient Housing Units.
 - 5) Correctional Treatment Center and other inpatient care areas.
 - 6) Administrative Segregation Unit.
 - 7) Specialty areas including Telemedicine, Utilization Management, and Public Health.
 - 8) Mental Health including Mental Health Crisis Bed, Psychiatric Inpatient Program, and groups.
 - 9) Hospice.
 - g. Orientation and shadowing of nursing staff in the specific areas and on the specific watches the new staff will be working.
2. Transition to independent direct patient care duties shall begin no earlier than eight weeks after the hire date.
 - a. New staff shall be located where they can easily access other nursing staff familiar with their job duties for questions and assistance during the initial eight weeks of providing direct patient care.

CALIFORNIA CORRECTIONAL HEALTH CARE SERVICES

- b. For the first month after the staff begins independent direct patient care duties, an SRN, other supervisory nursing staff, or designee, or NI shall attend the morning huddles and other meetings or events and debrief with the new nursing staff afterwards to answer questions and provide feedback.
3. Within 12 weeks after the new staff hire date, the NI, or designee, in coordination with the institutional CNE, SRN III, and/or II, or US, shall ensure completion of the [Nursing Civil Service Staff Onboarding and Competency Checklist–Nursing Services Topics](#), and the [Nursing Civil Service Staff Onboarding and Competency Checklist–General and Non-Nursing Topics](#), and shall review, sign, and maintain the completed forms in the employee's training file (proof of practice file).
 - a. If unforeseen circumstances arise that delay the onboarding process and completion of the Nursing Civil Service Onboarding and Competency Checklists, additional time may be provided on a case-by-case basis to complete the onboarding process and the checklists as soon as possible after the 12th week.
 - b. If the new nursing staff member is delayed in completing the Nursing Civil Service Staff Onboarding and Competency Checklists, the SRN III and/or II, or US, in coordination with the institutional CNE, may provide additional time on a case-by-case basis to complete the onboarding process and the checklists as soon as possible after the 12th week.

B. Probationary and Professional Practice/Performance Evaluations

1. The SRN III and/or II, or US, in coordination with the institutional CNE or designee, shall ensure each new nursing staff completes competency skills validations for nursing assessments, processes, and procedures prior to providing patient care for patients who require that assessment, process, or procedure or within the timeframe noted in the Nursing Curriculum Lesson Plan, whichever occurs first after the hire date.
2. For staff who have a one year probationary period: In accordance with civil service laws and regulations, the SRN III and/or II, or US shall complete, at minimum, a STD 636 at 4 months, 8 months, and 12 months after hire to assess professional performance and clinical competency.
 - a. The 12-month STD 636 may be completed as soon as 11 months but no later than 12 months after the hire date.
 - b. Additional STD 636s may be completed as needed to assess professional performance and clinical competency.
3. For staff who have a 6 month probationary period: In accordance with civil service laws and regulations, the SRN III and/or II, or US, shall complete, at minimum, a STD 636 at 2 months, 4 months, and 6 months after hire to assess professional performance and clinical competency.
 - a. The 6 month STD 636 may be completed as soon as 5 months but no later than 6 months after the hire date.
 - b. Additional STD 636s may be completed as needed to assess professional performance and clinical competency.
4. Two to four weeks prior to the end of the probationary period, the SRN III and/or II, or US, in coordination with the institutional CNE, shall meet to review the probationary and professional practice evaluations and other clinical observations in order to make a recommendation regarding permanent civil service employment.

CALIFORNIA CORRECTIONAL HEALTH CARE SERVICES

5. A recommendation to reject the staff during the probationary period may occur any time prior to the completion of the final STD 636 if the previous performance evaluations, professional practice evaluations, competency validations, and other clinical observations show significant concerns regarding the staff's performance.
6. After the probationary period ends, the SRN III and/or II, or US shall complete, at a minimum, an annual evaluation of the employee's professional performance and clinical competency.

C. Maintenance of Onboarding Documents

Onboarding documents shall be maintained in the employee's proof of practice file including, but not limited to:

1. The completed [Nursing Civil Service Staff Onboarding Plan Template](#), showing the onboarding activities for each day of the onboarding period.
2. The completed [Nursing Civil Service Staff Onboarding and Competency Checklist–Nursing Services Topics](#).
3. The completed [Nursing Civil Service Staff Onboarding and Competency Checklist–General and Non-Nursing Topics](#).

D. Determination of Permanent Civil Service Status

After completion of the second STD 636, but no later than six weeks prior to the end of probation, the SRN III, SRN II, or US, and institutional CNE shall organize a Performance Review meeting.

1. The meeting shall include the following individuals:
 - a. CNE, or designee.
 - b. SRN III.
 - c. SRN II or US.
 - d. Health Care Employee Relations Officer (if there are significant concerns regarding the staff's performance).
 - e. Regional CNE (if there are significant concerns regarding the staff's performance).
2. The purpose of the meeting shall be to discuss the findings and recommendations contained in the probationary and professional practice evaluations, competency evaluations, and other clinical observations in order to make a recommendation about whether to grant permanent civil service status.
3. If there are concerns regarding performance of the probationary employee prior to the occurrence of the performance review meeting described in this section, the institutional CNE, SRN III, and SRN II, or US shall notify the Health Care Employee Relations Officer and the regional CNE as soon as issues are identified.
4. A recommendation to reject the staff during the probationary period may occur any time prior to the completion of the final STD 636 if the previous performance evaluations, professional practice evaluations, competency validations, and other clinical observations show significant concerns regarding the staff's performance.

E. Re-orientation of Nursing Staff (Re-entry Training)

1. For staff who are out (e.g., long term sick) but did not separate from service with CDCR:
 - a. If staff have been out for six months or less, the following is required:
 - 1) There must be documentation of previous completion of the [Nursing Civil Service Staff Onboarding and Competency Checklist–Nursing Services Topics](#), and [Nursing Civil Service Staff Onboarding and Competency Checklist–General and Non-Nursing Topics](#).

CALIFORNIA CORRECTIONAL HEALTH CARE SERVICES

- 2) Staff must take all classes, updates, and mandatory training missed.
 - 3) Skills competency validations shall be completed for the areas in which staff will be working.
 - b. If staff have been out for six months to one year, the following is required:
 - 1) There must be documentation of previous completion of the [Nursing Civil Service Staff Onboarding and Competency Checklist–Nursing Services Topics](#), and [Nursing Civil Service Staff Onboarding and Competency Checklist–General and Non-Nursing Topics](#).
 - 2) Staff must take all classes, updates, and mandatory trainings missed including Block and In-Service Training.
 - 3) Skills competency validations shall be completed for the areas in which staff will be working.
 - c. Staff who are out more than one year shall complete the onboarding process in its entirety upon return.
 2. Staff who separate from CDCR, no matter the length of time, shall be required to complete the onboarding process in its entirety.
- F. Transferring Between Institutions Without a Break in Service or Performing Patient Care Duties at More Than One Institution**
1. Each CDCR institutional CNE is responsible to ensure that all nursing staff working at that institution are competent to perform all the duties of the position for which the nursing staff has been hired, pursuant to the Inmate Medical Services Policies and Procedures, Volume 5, Chapter 4, Nursing Competency Program Policy and Procedure.
 2. The SRN III and/or II, or US in coordination with the regional CNE and institutional CNE, may develop an abbreviated [Nursing Civil Service Staff Onboarding Plan](#), for the nursing staff as necessary that takes into account the onboarding, clinical competency, and professional performance evaluations conducted and training provided to that nursing staff at another CDCR institution.
 3. Proof of completion of the onboarding process, clinical competencies, and professional performance evaluations shall be maintained at each CDCR institution. This does not absolve each CDCR institutional CNE from ensuring the clinical competencies and professional performance evaluations are conducted or that nursing staff are competent to perform the duties required in their position.
